Mural	
Issues: - Couldn't open the app on my computer	Solution: - Have to go into downloads and right click open from there

Twine	
Issues: - Can't figure out how to change the storyboard type	Solution: - Changing the storyboard type doesn't change the look of the story but it changes the different editing tools you have

Twitter Bots	
Issues: - Tried creating a twitter account and was instantly banned	Solution: - Could not figure out why that happened so I just created a new twitter account to launch my project
